STEPS TAKEN

1

Find Pre-Loss Value

We search for comparable vehicles based in good condition as per before the accident, then adjust them, and average them to determine a pre-loss value.

2

Find Post-Loss Value With Comparable Vehicles

We search for comparable vehicles based on Make, Model, Year, and Trim, and then adjust them and average them to determine a Market Value

3

Calculate Final Diminished Value

We then take the difference between the Pre-Loss and Post-Loss values to arrive at a Final Diminished Value
